Commemorating Truth and Reconciliation

To commemorate the National Day for Truth and Reconciliation on September 30, we paused to reflect and honour the lost children and survivors of residential schools, their families and communities. Recognizing the painful history and ongoing impacts of residential schools is vital to the Reconciliation process.

This year, we hosted Chief Willie Blackwater, who shared his thoughts on what Reconciliation means to him and how we can create a path forward.

Newest Canada Post Mandates Continue Trusted 30-Year Partnership

We are proud to share that Canada Post Corporation has selected our team to provide project management services for new mail processing centres in Ottawa and Vancouver. The two multi-million-dollar projects will increase Canada Post's mail and parcel processing capacity, enabling it to keep pace with growing demand and improve service for Canadians.

Université de l'Ontario français Receives Gold at Grands Prix Du Design Awards

Université de l'Ontario français (UoF) received a Gold Certification for Interior Design at the International Design Grands Prix Du Design Awards. The 50,000 sq. ft. mixed-use space blends industrial elements with an academic design focused on student-faculty interaction. We are proud to have managed this project and supported UoF as it brought its vision for Ontario's first French-language university to life.

McLeod Lake Indian Band's New Health and Community Wellness Centre

McLeod Lake Indian Band broke ground on its new \$13-million Health and Community Wellness Centre in July. “The new space will allow our community members to come together to celebrate, heal and support one another while also accessing top-notch health services” says MLIB Chief, Harley Chingee. Our team is working with MLIB and the First Nations Health Authority to provide comprehensive project management throughout the delivery of this exciting community project.

Ādisōke Project Team Celebrates Placing of Foundation

The project team for Ādisōke, the new Ottawa Public Library and Library and Archives Canada joint facility, celebrated an important milestone in August by placing a token into a concrete slab that will serve as part of the building’s foundation. You can take a virtual tour of the site to see the progress the Ādisōke team is making on this noteworthy capital project.
